# Plan Highlights

2024 Group Retiree:  
Tufts Medicare Preferred Supplement Plan

## Eligibility and Enrollment

To be eligible for retiree products, members must be entitled to Medicare Part A and enrolled in Part B. Members must continue to pay their Medicare Part B premiums if they are not otherwise paid for under Medicaid or by another third party. All groups renew on January 1 except for those grandfathered otherwise.

Tufts Medicare Preferred Supplement members can live anywhere in the United States. In order to be covered (except in emergencies), members must see providers that accept Medicare.

## Prescription Drug Coverage

In order to avoid a late enrollment premium penalty, you must elect a Medicare Prescription Drug Plan or have creditable prescription drug coverage through your employer. Tufts Medicare Preferred offers a Part D Prescription Drug Plan. You may or may not receive this option from your employer.

## We're Here to Help

Plan benefit highlights are on the reverse side. For a full description of the benefits, including benefit limitations and exclusions, please ask for an Employer Group Tufts Medicare Preferred Supplement Plan Certificate.

If you have any questions, please call **1-800-936-1902 (TTY: 711)**. Representatives are available 8 a.m.–8 p.m., 7 days a week (Mon.–Fri. from Apr. 1–Sept. 30). After hours and on holidays, please leave a message and a representative will return your call on the next business day. Or visit our website at [www.thmp.org](http://www.thmp.org).

This health plan, alone, does not meet Minimum Creditable Coverage (MCC) standards and will not satisfy the individual mandate that you have health insurance. However, Medicare is a plan that meets MCC standards. Because you have Medicare Part A and Part B, you meet MCC standards.
